PROFESSIONAL SUMMARY

Product Owner (Acting Product Manager) **7+ years** of expertise in **SaaS Omnichannel, E-commerce Enabler, M2C, B2B2C, O2O**. Delivering products from concept to launch across **OMS, TMS, DMS, CMS, CRM, ERP, Loyalty, Gamification, Fintech (eWallet/banking/lending/vas)**. Proven track record in scaling core products, passionate about orchestrating cross-functional teams to deliver business value through data-driven discovery, Agile leadership, and high-impact digital solutions.

WORK EXPERIENCE (from 2013)

PRODUCT OWNER (Acting Product Manager)

Startup Subsidiary of **PIGROUP** | Group-buying & Demand Aggregation Commerce Platform | Apr.2026 – Present

- **Owned product vision and BRD** for a demand-driven commerce platform connecting users, sellers, manufacturers, and distributors.
- **Designed 3 core buying models:** manufacturing group-buy, recurring purchase, and category-based distributor bidding.
- **Defined feature scope** for User App, Admin Portal, and Sell App, including purchase flow, cart logic, checkout, deposit/refund, loyalty, and seller operations.
- **Translated business strategy into product requirements, UX flows, and functional feature lists** for design, tech, sales, and operations teams.
- **Built seller growth features** such as share links, user tracking, order attribution, missions, tiers, and rewards.
- **Focused on business impact:** demand forecasting, inventory reduction for suppliers, user acquisition, retention, and GMV growth.

PRODUCT OWNER (Acting Product Manager)

Finviet Technology | Manufacturer-to-Consumer Commerce | Apr.2023 – May.2026

App **ECO Tiệm Số Hóa** - Directly spearhead the end-to-end product lifecycle for Finviet's flagship "Super App." Orchestrate a complex ecosystem integrating B2B Supply Chain, Omni-channel Commerce (Online/Offline), Fintech Solutions (E-wallet, QR Payment, Banking Services, V.A.S, Lending), Loyalty & Gamification.

KEY ACHIEVEMENTS

- **Scale:** Expanded user base by **double-digit growth**, surpassing **230K users**.
- **Active Users:** Achieved **4x growth** in MAU, reaching a significant milestone.
- **Reactivation:** Boosted monthly re-engaged users to **over 60K** through targeted strategies.
- **Efficiency:** Streamlined UX/UI and flows, cutting engagement time by **2.5x** while increasing transactions.
- **B2B Marketplace:** Drove **5x growth** in monthly B2B transactions.
- **Value-Added Services (VAS):** Scaled digital services (Bill Pay, Top-up...) by **1.5x**.
- **POS Adoption:** Successfully launched and scaled the POS module, delivered **1,300% growth** in POS transactions within 2 months of launch.
- **Key Account:** Kido, Thọ Phát, Hương Thủy, Ajinomotor, Vifon,...

WORK EXPERIENCE (from 2013)

SELF-EMPLOYED

LILDAN Pet Spa Hotel & Clinic | Aug.2022 - Apr.2025

- **Omnichannel Execution:** Architected a seamless retail system integrating a centralized POS with Shopee, Lazada, TikTok Shop, and Offline channels.
- **Brand & Operations:** Developed end-to-end brand identity and cross-functional workflows between Clinic, Spa, and Retail departments.
- **Growth Marketing:** Led CRM and data-driven outreach strategies to optimize customer acquisition and retention.

PRODUCT OWNER (Acting Product Manager)

Onpoint | E-commerce Enabler | Dec.2021 - Aug.2022

- **Product: UNA Market** – A Social Commerce startup (Pinduoduo model) based on group-buying and social networking (Zalo/Facebook).
- **0-to-1 Launch:** Acted as the sole Product Owner to conceptualize and launch UNA Market from scratch, integrating social sharing and tiered-discount mechanisms.
- **Outsource Management:** Directly managed external IT vendors to ensure technical delivery, from **PRD documentation to final UAT and Go-to-market**.
- **Viral Mechanism:** Engineered "Group Buying" features that incentivized users to invite friends via social platforms, optimizing organic acquisition costs.

PRODUCT OWNER

Haravan | SaaS Omnichannel | Apr.2019 - Dec.2021

- **Enterprise Solutions:** Partnered with key stakeholders to translate complex business requirements into scalable POS features, optimizing retail operations for **500+ store chains**.
 - **Data-Driven Roadmap:** Analyzed user feedback and behavioral data to architect **Product Roadmaps and User Stories**, focusing on enhancing checkout speed and inventory accuracy.
 - **Strategic Alignment:** Coordinated with cross-functional teams (Engineering, Sales, CS) to align product vision with business goals, ensuring high-quality delivery for Enterprise-grade requirements.
 - **Customer Experience:** Spearheaded UI/UX improvements that directly increased system stability and user satisfaction for large-scale retail operations.
- Key Account:** Vinamilk, The Coffe House, Couple TX, Juno, Hnoss,...
